Essay:

Applicants should provide a one page letter to the Screaming Eagle Foundation titled, "What this scholarship means to me." The essay should be typed and single spaced, using 10-12 point Times New Roman or Arial font. The essay should avoid simply stating the benefits of "pays for tuition or easing a financial burden," as the major premise. The essay should ultimately be based on how the award matters or changes the life of the service member's child and surviving family and **be hand signed by the applicant or parent or guardian who is applying** on the child's behalf. The following is an example the possible essay format:

- A brief bio or introduction of the applicant, describe the family, applicant's interests, goals or hobbies
- Provide a brief description of how the Service Member's injury or death has affected the child and family
- Briefly describe what type of challenges or hardships that are faced as a family
- What receiving a Screaming Eagle Foundation Surviving Children's Scholarship would mean to the child and family and how it impacts their future

In consideration of the scholarship the recipient agrees to provide the Screaming Eagle Foundation notification of changes of address or contact information as well as notification of the year of graduation, the degree or certificate awarded and by which institution. This information should be forwarded to the Executive Director, Screaming Eagle Foundation at 101exec@comcast.net.
